

## Description of activity on the Sandford Fleming site.

### Instructions

Find three of Sandford Fleming's accomplishments hidden behind the puzzles.

An accomplishment is hidden behind each puzzle. Simply answer the questions by choosing from among the possible answers. If you answer correctly, you will be able to remove a piece of the puzzle. If you think you have the right answer, choose it in the list of accomplishments. If your answer is incorrect, continue to answer other questions to uncover another part of the puzzle.

Once you have found the accomplishment, move on to the next questionnaire. There are three accomplishments to discover and six questions to answer in each puzzle.
